Russell Hilliard, Director,
Aeronautics Commission

Dear Mr. Hilliard:

I have examined mimeographed statement dated November 8, 1951, entitled "Control of Movement of Aircraft in a Military Emergency." In my opinion the plan for control as thus outlined, subject to approval of the Governor and Council as to its inception, is clearly authorized by the provisions of R.L., c. 306, s. 8.

I am also of the opinion that the equipment needed for operation of the proposed plan would be a proper charge against that half of the aeronautical fund reserved for the establishment and maintenance of air navigation facilities, as provided by R.L., c. 306, s. 32, as amended by Laws of 1947, c. 281, s. 9.

Very truly yours,

Maurice M. Blodgett
Deputy Attorney General
